

Fremont Christian School

20% Church Partner Discount for Preschool & Kindergarten Students

Program Explanation:

Please submit a completed application that has been signed off by your church's lead pastor indicating that your church is a member of City Serve and that your family is both an attender and giver at that church. Please note that this discount is not sponsored in any way by the City Serve organization. Then, make sure you receive confirmation from our Business Office via email. It's that simple.

Clarifying Questions and Answers:

Q: How much of a discount do we receive?

A: 20% for qualified families for students in preschool or Kindergarten only. If you have children in other grades, they will receive the multiple-child rate but the Preschool and/or Kindergarten students will receive the higher CPD 20% discounted rate.

Q: What if we already participate in the Virtual Family Discount Program?

A: The CPD discount is greater than the VFD so you will want to choose the CPD. Your VFD partner family will still receive the VFD as long as you both are enrolled in the school. If you both qualify for and receive the CPD, the Virtual Family Discount will no longer apply to either family.

Q: How does FCS know if I am an "attender/giver" at my home church?

A: Your pastor will need to sign our CPD application indicating that you are an attender and a giver of that church. We don't need any more confirmation than the completed application.

Q: Why does my church have to be a City Serve member?

A: Because, Harbor Light/Fremont Christian School is a member of City Serve which makes us a partner with the other churches in this organization. City Serve provides accountability and opportunities for churches with a shared perspective and shared purpose to minister in the community just as FCS does.

Q: Can I combine this discount with other FCS discount programs?

A: No, this offer can not be combined with other discount programs. Multi-student discounts will apply to other students in the family, but the Preschool or Kindergarten student maximum discount will be 20%.

Q: Do I have to reapply each year?

A: Each year you will need to reapply.
