February 2019

## Next School Year Re-registration and TK/Kinder Enrollment Current School Year Ends June 29, 2019 2019-2020 School Year: July 1, 2019-June 30, 2020

FCS Preschool Early Education Department is a full year program running annually from July 1 through June 30.

**What is FCS Preschool Re-Registration?** In order to guarantee placement in the 2019-2020 preschool program year beginning July 1, 2019 all currently enrolled families must complete re-registration. You will be receiving an email from Fremont Christian in mid-February that will prompt you to complete the online re-registration. Upon completion of re-registration, and the submission of an updated Admissions Agreement, we will guarantee your child's placement for the 2019-2020 school year. You will also receive notification after parent conferences in March of your child's new classroom placement. New placements begin July 2. *Please see the Early Education Program Structure.*

**How do I enroll in FCS Transitional Kindergarten?** FCS Transitional Kindergarten is specifically for children turning five between September 1-December 31. You will receive an email from Fremont Christian in mid-February that will prompt you to complete online re-registration. Completing re-registration indicates your desire for your child to enter the FCS TK program in August. Upon completion of re-registration and a review of your child's FCS Preschool growth assessment and current enrollment standing, you will receive a priority admissions decision. The admissions decision will arrive on or about March 20. Please make sure to follow the prompts on the admissions letter to ensure placement and/or for guidance to ensure completion of conditional enrollment terms.

**How do I enroll in FCS Kindergarten?** This depends on when your child enrolled at FCS Preschool or FCS TK. If your child was enrolled at FCS before October 31, 2018 and will be five years old before September 1, your child is eligible for the FCS Kindergarten Priority process. You will receive an email from Fremont Christian in mid-February that will prompt you to complete online re-registration. Completing re-registration indicates your desire for your child to enter FCS Kindergarten. Then, upon successful completion of FCS Preschool or FCS TK as determined by your child's growth assessment and current enrollment standing, you will receive an admissions decision on or about March 20. Please make sure to follow the prompts on the admissions letter to ensure guaranteed placement and/or for guidance to ensure completion of conditional enrollment terms. If your child was not enrolled at FCS prior to October 31, you will still receive an online re-registration invitation in mid-February, but your child will be assessed through the regular Kindergarten assessment processes. Once we have received your completed re-registration, you will be contacted by the Elementary office for an interview and Kindergarten group assessment appointment. These appointments are typically held in March and April.

**What Summer program does FCS offer?** Ready-Set-Go is the FCS Summer program offered to all FCS students who are eligible for TK and Kinder. It begins July 1. Registration is available in early March.

FCS Preschool provides a Summer inspired curriculum with special events, dress-up days, and field trips for our returning preschoolers.

## *Trike-A-Thon*

*Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.*

Matthew 25:40 NIV

We are celebrating our former Assistant Director Ms. Julia Valle's Birthday with our 3rd annual Trike-A-Thon. She is very present in our hearts, and her life has influenced our work as early educators and Christians.

Julia believed that children have the potential to do great things for the Lord's Kingdom, and as a school community we are witness to the children's Heavenly gifts daily. A fundraising event with the children at the center will empower them to witness for themselves the power within to make a positive impact on their own community.
