# SCRIP Grocery Partner Registration

---

---

School Year: 2011/2012

---

---

You can help raise money for FCS just by registering your **Safeway** grocery card and designating FCS as the community organization beneficiary. Once registered, every time you shop and use your grocery card, a percentage of your expenditures is donated to FCS by the retailer. If you shop at **Raley's** or **SaveMart/FoodMAXX/LUCKY** you will receive cards that you present at checkout. It's FREE, EASY, and we'll take care of the registration process for you if you provide the information listed below. Return the form to the SCRIP sales desk in the main elementary building foyer, or to the business office front desk. THANK YOU for your support!

**Returning participants:** *Safeway cards must be re-registered every year.* If you received a Raley's or Lucky card last year, you do not need new ones.

Check each block below that applies and enter the appropriate card number:

- Safeway Club Card #410** \_ \_ \_ \_ \_
- I would like a Raley's "Quality of Life" card issued to me.  
\*The Raley's card will be delivered to the child's classroom that you designate below.
- I would like a SaveMart/FoodMAXX/LUCKY S.H.A.R.E.S. card issued to me.  
\*The S.H.A.R.E.S. card will be delivered to the child's classroom that you designate below.

NOTE: We need your Safeway card number to register you for these programs. Your phone number is not enough for us to complete the registration process.
