BIG-SCHOOL OPPORTUNITIES IN A SMALL-SCHOOL ENVIRONMENT

Fremont Christian School is a private, co-educational college preparatory school established in 1968 as an educational outreach of Harbor Light Church. FCS strives to provide every child with a safe place to grow, learn, and explore their faith. Though we wholeheartedly encourage students to explore Christianity, students of all faiths are welcome in our community.

At FCS, we desire for every student to see themselves and everyone around them as the *imago Dei*: unique individuals made in the image of God, for a purpose. We believe that any amount of time your child spends with our school is a chance to learn and grow further into the person God has called them to be.

INSTRUCTIONAL PHILOSOPHY

FCS provides a growth-oriented, advanced college-preparatory curriculum that reflects a biblical worldview. [Guided Language Acquisition Design \(GLAD\)](#), a research-based model rich in advanced vocabulary, supports instruction across content areas, promotes metacognition, encourages gradual release of responsibility, and embodies 21st-century learning. The GLAD model emphasizes problem-solving, respecting others, and making wise decisions. Metacognitive learners are able to reflect on and analyze their own learning: *Does this make sense? How am I doing? What am I doing well? What can I do better?*

VISUAL & PERFORMING ARTS

Visual art students participate in local competitions, while our award-winning choral, band, jazz, and handbell ensembles perform at various events. Choral and band groups regularly tour, giving students the chance to perform in new settings and connect with broader audiences. Student actors bring professional-quality musicals and classic plays to our stages. [Learn More](#)

ATHLETICS

FCHS competes in the Bay Counties League (BCL) in the Bay Area Conference (BAC) in the North Coast Section (NCS) of the California Interscholastic Federation (CIF). Our FCS Warriors hold 85 league championships and nine section championships. High school students have opportunities to try out for teams including basketball, cross-country, soccer, track and field, and volleyball. [Learn More](#)

ACTIVITIES & CLUBS

Student Life: Dances, intramural competitions, Spirit Week, and more are sponsored by the student council. **Club Options:** At FCS, students are encouraged to start and join clubs, which meet under the supervision of an advisor. Art, badminton, Cards for Kids, Career Connect, Chinese culture, dance, environment, Girls Who Code, handball, interact, lifting, math & coding, Pickleball, Prayer Warriors and Research Exploration are some of the clubs students have organized this year. **NEW:** Robotics

JANUARY TERM

FCS offers a specialized two-week (J-Term) session that provides students the opportunity to explore new classes beyond the college-prep curriculum. J-Term includes the perennially popular high school retreat. [Learn More](#)

STUDENT ADVISORY GROUPS

FCS Advisory groups are teacher-guided cohorts of about a dozen students that uses the [Friendzy](#) curriculum, a solution to tackle the relationship challenges every student faces.

TECHNOLOGY INTEGRATION

We incorporate platforms and web applications to prepare students for life beyond FCS. Some of the platforms we integrate into our curriculum, including Canvas, Turnitin, and NoRedInk, are used at universities and workplaces across the nation.

ACADEMIC & COLLEGE COUNSELING

FCS Academic & College Counseling provides a supportive and personalized environment to help students set goals, discover their talents, and make informed decisions about their academic and post-secondary journeys. [Learn More](#)

Personalized Guidance

- One-on-one course planning and advising begins in Grade 8, helping students envision post-secondary goals early.
- Our small community allows counselors to know each student personally, providing individualized support to both students and families.
- Parents are encouraged to schedule in-person or virtual meetings with counselors.

College & Career Planning Tools

- FCS uses Naviance, a leading college- and career-planning platform. Students and parents receive full access to Naviance, which includes: career assessments, scholarship search tools, resume-building features, college search resources, and personalized student profiles.

Financial Aid & Scholarships

- Counselors offer guidance on college financial aid navigation.
- Support is provided throughout the process of finding and applying for scholarships, grants, and aid.

Exploration Opportunities

- Hands-on exposure to colleges and careers through on-campus college fairs, college representative visits, and college application workshops.
- Open to both students and parents, the annual Fall College Fair features a range of colleges.

Accessible Support

- The Academic & College Counseling Office is centrally located among secondary classrooms for easy student access.
- Students are welcome to drop in with quick questions or schedule extended appointments.

NATIONAL COMPARISON

The Measure of Academic Progress (MAP) assessment is administered at the beginning of each academic year to determine what each student is ready to learn. The MAP assessments in reading, language, and mathematics provide teachers valuable data used to differentiate and meet the needs of all learners. The RIT score, a nationally normed data point, is compared to the grade-level mean (average) using data from millions of students. The results on the following graph show the percentage of students who scored above the 2020 normative data during our testing session in spring 2025. Students are tested again in the winter and spring to track their personal academic growth this year.
