## Tuition Payment Programs

Tuition is an annual fee.

**New Families:** One-tenth (1/10) of the annual fee (also called the “first tuition payment”), as well as the application, registration, and technology fees, are non-refundable\* and due within five (5) business days of the date of the acceptance letter.

**Returning Families Entering Transitional Kindergarten or Kindergarten:** Within five (5) business days of the date of the admissions offer letter, the non-refundable\* enrollment fee, technology fee, and the first month’s tuition is due.

There are two payment programs from which to choose:

1. Single Payment: If tuition is paid in full by August 3, a 3% discount is given (see above chart). This discount is also available to new families within five (5) business days of acceptance but before the first day of school.
2. Scheduled Payments: Equal payments in 10 or 12 installments, beginning as early as July 1 and ending no later than June 1.

## Financial Policies

Please refer to the Parent Pledge and Financial Notices, signed annually in the enrollment document, for detailed policies.
