

Friends & Family Discount

Beginning July 2025

At FCS, we know that our current families are the best way for our community to learn about the school. You're in the perfect position to share your positive experiences with others who may be interested in Christian education. We want to reward you for helping us spread the word about FCS's mission and programs.

With the **Friends & Family Discount**, both the referring family and the new family will benefit.

Who is eligible?

A **new family** enrolling at FCS through the referral of a current FCS family (Note: This offer is not available for international students).

How it works

1. A returning family shares their positive experiences with a friend or relative who might be interested in enrolling their child(ren) at FCS.
2. We encourage the returning family to bring their friend to an Open House or a school event.
3. The friend or family member applies by visiting www.fremontchristian.com or by contacting our Admissions and Records Office for assistance.

How does FCS know a new family has been referred by a current family?

- The new family should mention the referring FCS student's or parent's name when asked, "Were you referred by a friend or family member?" on the application form.
- A *Friends & Family form* will be sent with the new student's admission notification email and must be submitted before completing the enrollment packet. The form must be submitted within 5 business days of admission.
- The referring family's account will be credited once the new student(s) matriculates.
- The discount will be adjusted if either family withdraws.

Deadline for submission

The application will be provided at the time of a new student's admission notification and must be submitted prior to completing the enrollment packet.

Can this program be combined with other FCS discounts?

The Friends & Family Discount can be combined with all discounts and tuition assistance, except the Full-Time Employee rate.

How much is the Friends & Family Discount? (*Discounts are subject to adjustment based on enrollment changes.*)

- The **referring family** will receive a **\$1000** annual tuition discount for each new student they refer. There is no limit to the number of students a family can refer, but the discount will not exceed the referring family's annual tuition. The discount has no cash value.
- The **new early education (EE) family** will receive a **10%** monthly discount. (Ask about our special First Month promotion for EE families!)
- The **new TK-12 family** will receive a **\$5000** discount per student for the first year, followed by a **\$1000** per student annual tuition discount for subsequent years. TK-12 families are encouraged to apply for tuition assistance at the same time as their admission application, as this discount can be combined with tuition assistance.

How long will the discount last?

The discount will continue as long as the new family remains enrolled at FCS.
