MAY 12TH IS OUR EARLY ED STEAM FAIR!

WHAT IS STEAM?

STEAM is an acronym for **science, technology, engineering, art, and math**. All of these are important to include in a preschooler's education. Young children, even as young as toddlers, not only have a natural curiosity for STEAM activities, but they are also good at them too! STEAM activities encourage and challenge a preschooler's innate sense of curiosity. Preschoolers need time and exposure to science, technology, engineering, art, and math to develop a strong foundation for future learning. Students explore STEAM skills and concepts through play, discussion and workshops. Please review your **This Week at School** for important home school connections and potential activities that will enhance your child's learning experience. Parents are encouraged to participate at home in all activities throughout the week.

RE-REGISTRATION HAS ENDED

The annual re-registration period has concluded for the 2023-2024 school year. If you have not done so, you must contact Chyi Chyi Chang at cchang@fremontchristian.com to complete your child's re-registration, in order to guarantee placement for July 1. Enrollment is now open to the general public. **IMPORTANT NOTE: All students who have not been re-enrolled will automatically be withdrawn on June 29th.**

如果您已经签退了您的孩子离开, 请您立即离开学校校园。请不要让您的孩子在操场上玩耍, 谢谢你保护我们学校的安全!

If you have checked your child out You must leave the school campus immediately. Please do not allow your child to play on the playground. Thank you for keeping our school safe!

Annual Transition and Placement Process: 2023-2024 School Year

Now that re-registration and assessments have been completed, evaluated, and processed, we are beginning to organize the 2023-2024 classroom placement in anticipation for our annual July transition to the next age appropriate department and classroom beginning July 3. We carefully organize students in peer groups and distribute their placements into the new classrooms considering age, development, and established relationships. All placement decisions are finalized by the Director and will be communicated to each family at the end of May/beginning of June. July 3 will also be the beginning of our Summer Curriculum.

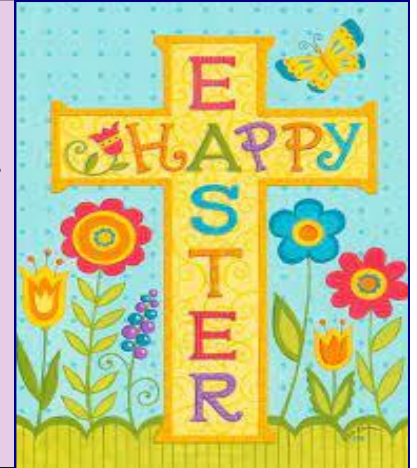

The last day for children promoting to Kindergarten and TK will be June 29th.

Get ready! The Scholastic Book Fair is coming our way (YAY!). Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers. AND—as always—every book they buy earns rewards for our school. The Book Fair will take place from Monday April 17– Friday April 21, 2023 in the Preschool Office.

Stay tuned for more information to come!
