Next School Year Re-registration and TK/Kinder Enrollment Current School Year Ends June 29, 2018 2018-2019 School Year: July 1, 2017-June 30, 2018

FCS Preschool Early Education Department is a full year program running annually from July 1 through June 30.

What is FCS Preschool Re-Registration? In order to guarantee placement in the 2018-2019 preschool program year beginning July 2, 2017 all currently enrolled families must complete re-registration. You will be receiving an email from Fremont Christian the last Friday in February that will prompt you to complete the online re-registration. Upon completion of re-registration, and the submission of an updated Admissions Agreement we will guarantee your child's placement for the 2018-2019 school year. You will also receive notification after parent conferences in March of your child's new classroom placement beginning on July 2. *Please see the Early Education Program Structure attached.*

How do I enroll in FCS Transitional Kindergarten? FCS Transitional Kindergarten is specifically for children turning five between September 1, 2018- December 31 of 2018. Upon successful completion of FCS Preschool as determined by your child's growth assessment and current enrollment standing, you will automatically receive priority placement into our Transitional Kindergarten program with an acceptance letter distributed by our Admissions Department after parent conference time in March. Please make sure to follow the prompts on the acceptance letter to ensure guaranteed placement and/or guidance to ensure completion of conditional enrollment terms.

How do I enroll in FCS Kindergarten? Children who are five years old before September 1, 2018 are eligible for FCS Kindergarten. Upon successful completion of FCS Preschool as determined by your child's growth assessment and current enrollment standing, you will automatically receive an email invitation to register for FCS Kindergarten. Please make sure to follow the prompts on the re-registration email to ensure guaranteed placement and/or guidance to ensure completion of conditional enrollment terms.
