Hot Days are Here!

Let's prepare together for Hot Days at School.

- Children will be indoors on days that are 85°F or warmer.
- Classroom temperatures will be maintained at a temperature of 68°F-72°F daily.
- Parents apply morning sunscreen. Teachers will re-apply before afternoon outdoor time at 3

A big thank you for all of the love and blessings you gave us during Teacher Appreciation Week last month. We are so honored and grateful to be a part of your children's lives!

Beginning in July, we will have water play at school every Friday as weather permits. Make sure to bring extra clothes and a towel for those days.

2023 Transition Plan

All children's placements for the 2023-2024 preschool year will be made at the beginning of June. We are beginning our annual transition plan to ensure a smooth and thoughtful transition for children moving to a new classroom. Here are some ways FCS Staff support children in this annual movement:

1. **The New Environment:** Classrooms will be taking onsite trips to their new classrooms during workshop times in June with the intent to explore the new environment and materials.
2. **New Relationships:** While children are transitioning with peer groups, their new teachers will be visiting current classrooms through June and holding circle times to introduce themselves and establish the foundations of a new relationship.
3. **Transition Day—July 3, Transition Week July 3-7**
