

Fremont Christian Early Education Department

July 2023

Important Reminder: School Closed on July 4th.
Happy Independence Day!!

"Therefore welcome one another as Christ has welcomed you, for the glory of God."

Romans 15:7

We are so blessed to have all of you joining us for a wonderful summer here at FCS Preschool. This newsletter will support you in feeling orientated to the "happenings" here during our summer program. Please review the companion document, *Summer Fun* & create a **Parents Web** account to see our calendar and to ensure you are receiving all current information.

FCS Early Education School Rules

All teachers, families, & children work together to reinforce our school rules everyday while on the FCS Campus and at home.

We are KIND, We are SAFE, We are RESPECTFUL

These rules are BIG ideas that require partnership between school and home to ensure that children begin to develop an understanding of their civic duty in the world around them.

You can help by joining us in catching your child following these rules with a high five, or simple verbal acknowledgement. ***"You are being safe when we hold hands in the parking lot."***

Every positive reinforcement helps define these big concepts, and impacts positive behavior in all arenas.

Developing consistent and healthy routines for a positive school experience:

Creating a predictable routine that includes healthy mealtimes, sleep routines that provide the preschooler between 10-12 hours of sleep a day, and staying home when sick, can positively impact both your child's access to learning, brain development, and behavior.

THIS WEEK AT SCHOOL

Teacher weekly curriculum activities and specific classroom news is provided to families for the following week every Friday via email.

Pedestrian Safety

For safety purposes, please park in the area designated for preschool parents or the parking lot with the flagpole. **As you are required to accompany your child safely to their teacher, parking in the drop-off zone is strictly prohibited.** After exiting your car, **hold hands with your child at all times!** Model parking lot safety for your child by using pedestrian walkways and following directions of lot attendants.

Please read the companion document, *Summer Fun* for special event dates & times!

Hot Days at School

Summer necessities:

- 1. Parents will need to apply sunscreen each morning for AM Outdoors.** Teachers will re-apply before PM Outdoors. Sunscreen at school requires a **Sunscreen Permission Slip** from the Early Education Office.
- 2. Be sure to provide a labeled water bottle and hat for your child's protection.**
- 3. Outdoor Play Schedules:** The Director monitors the weather conditions, for both heat and weather quality. Children will have indoor play as needed. Outdoor play schedules have been modified to beat the heat, and allow children to play outdoors when possible.

如果您已经签退了您的孩子离开，请您立即离开学校校园。请不要让您的孩子在操场上玩耍，谢谢你保护我们学校的安全！

If you have checked your child out **YOU MUST** leave the school campus immediately. Please do not allow your child to play on the playground as this is a liability issue. Parents always be aware of the children around you when you are exiting the preschool. Never let a child out of a gate who is not your own. Always make sure the gate is closed behind you. If you think a child is not where they are supposed to be, tell the closest teacher you see. Thank you for partnering with us to keep all of our students safe.

It is a Community Care Licensing requirement to sign-in and sign-out your child with full signature, and time daily by 9:00 AM, and by 6:00PM. Inform anyone who may pick up your child to do so as well. There is a fee when a signature is missed or when you drop off after 9:00 AM as your child's safety is of utmost importance.

We recommend being at school by 8:45 AM, and picking-up by 5:45 PM or sooner to have plenty of time for pick-up and drop-off.
