Spring Forward March 12

Parent Teacher conferences by appointment only:

March 20-24

Easter Chapel:

April 6

Easter Break:

April 7-14

Week of the Young Child Activities and Book Fair:

April 17-21

What is Priority Re-Enrollment?

Re-Enrollment is a period of time at FCS where families are to complete annual documents that indicate a desire to return for the following school year. The Preschool Office uses this information to begin to build next school year’s classroom placements that begin on July 3, 2023. All documents are due by March 1st.

- Please make sure to submit your 2023-2024 online re-registration
- You will need to review the 2023-2024 Fee Schedule and Parent Handbook.
- Turn in the hard copy Admissions Agreement, Walking Field Trip Permission Slip and your Parent Handbook receipt to the Preschool Office to guarantee placement for the 2023-2024 school year.

Ms. Julia And Ms. Kori Trike-a-Thon

Fundraising for Children in Need

In honor of Ms. Julia and Ms. Kori , we came together for a Trike-a-Thon on February 17th. It was a wonderful event. Many parents came out to join us and the kids were all smiles!! It was an opportunity to teach our children the importance of helping those who are in need. You helped us raise money for the children at St. Jude’s Children’s Research Hospital. **Thank you to all who gave to support this awesome event.** We raised a grand total of **\$1,810.00**. We are so proud of our families and your amazing generosity!!

Growth Assessment Spring 2023

Assessment in early education is a cycle. Teachers at FCS first assess children between July and October, gather data through work samples, photos, and written observations of each child's accomplishments related to specific measures of development that track school readiness. The first assessment provides baseline information that directs the teacher's curriculum.

Parent Teacher Conferences are by appointment only between March 20-24.

The growth assessment is the second assessment in the school year. The data collected between October and February is used to complete the tool, and provides parents and teachers with each child's growth since the first assessment. This assessment is used to develop goals between March and the end of the school year, and is one tool that is used to make determinations for "successful completion" of FCS Preschool for all of our Transitional Kindergarten and Kindergarten eligible students who plan on continuing to FCS next school year.

Everyone is welcome to request a Parent-Teacher conference to review your child's assessment with their teacher or just to check-in and see how things are going. Please email your teacher to schedule an appointment if you are interested.

Pedestrian Safety at FCS

Hold your child's hand in the parking-lot at all times.

Always exit through the Elementary School Office.

Never leave your child unattended in a vehicle.

Follow all parking lot signs.

FCS Preschool Yearbook

You can purchase this school year's memories through **TreeRing**, our yearbook provider. Please visit www.treering.com and enter the passcode below when prompted. Each yearbook has the option of two custom pages to document your child's personal year.

Deadline to purchase and customize your yearbook: May 1!
