2023

The peace of God which transcends all understanding will guard your hearts and minds. –Philippians 4:7

### Hot Weather at FCS

Warm weather is upon us, and it's a great time for a reminder of how FCS manages warm days, and how we partner with families for the children's sun safety.

Community Care Licensing does not provide a "too hot to be outside" measure, and we rely on best practice measures to make determinations for staying indoors in extreme heat. We begin to monitor children's behavior and levels of play for "too hot" indications, and will also monitor the weather report. If we know it's going to be an extreme day, we will also adjust outdoor play times to accommodate cooler outdoor play.

#### How can parents partner with us?

- Dress Appropriately:** Make sure your child is wearing appropriate clothing, and layers for colder mornings with anticipated warmer afternoons. **Hats and Sunglasses** are welcome, but FCS Staff can't keep track of all outdoor pieces. Make sure to put your child's name on all belongings, and remember that FCS is not responsible for lost or broken items.
- Sunscreen:** All parents are asked to apply the morning sunscreen before drop-off. FCS Staff will reapply before the afternoon playtime. Make sure to have a bottle of sunscreen for the classroom. Sunscreen permission slips are in the preschool office.
- Hydrate:** Children have access to drinking water all day at FCS. Teachers also provide "water breaks" after outdoor play times. Children are more likely to drink from their own water bottle.

### May 8-12 is *Teacher Appreciation Week*

FCS Administrators show our appreciation to our teachers with a week long event. We invite you to join us in showing our gratitude for their devotion to high quality education for our children.

Please remember that any food items need to be individually packaged and given directly to the teacher. No shared food items are allowed at this time.

TreeRing

## 2022-2023 FCS Yearbook

### Deadline Dates and Details

FCS Early Education publishes an annual yearbook through TreeRing.com. Each yearbook comes with two customizable pages.

**Deadline to Create Custom Pages MAY 1, 2023**

If you miss the deadline, you can still order a yearbook in time for June 17, delivery date for pick-up at school.

If you miss the deadline for school delivery, you can still purchase the yearbook and pay shipping and handling to deliver to your home.

## May 12, 2023 STEAM Fair

Each year we choose to focus on one of our Developmental Domains during this special fair. This year, STEAM is our designated area of study. Your children will be taking part in fun STEAM activities that they will be doing in the weeks leading up to May 13th. Your teachers will be sending a special email with highlights of all the fun.

## Mark your Calendars!
