Parent Teacher Conferences

Annual parent conferences are the conclusion of our Baseline Assessment Cycle when we share the results of our Desired Results Developmental Profile Assessment. This is a strength based assessment with developmental measures aligned with the California Department of Education's Preschool and Toddler Learning Foundations.

Teachers will have 30 minute blocks of time to sign-up for your parent conference on October 26 and 27. Parent Conferences are provided to review your child's current levels of development at school, review your child's portfolio of data collection used to rate the assessment, discuss home and school connections, develop individual child goals, and review child and classroom current topics.

We encourage every family to sign-up for a conference. This is a strength based conference, and a unique opportunity for teachers and parents to share in the children's successes. Note: Any developmental or behavioral concerns are addressed in individually scheduled meetings with the teacher and Director.

Check with your teacher for appointment times.

WARRIOR 5K SAVE THE DATE—Saturday, October 7th

Fremont Christian School invites you to participate in our 7th Annual Warrior Family 5k. You can run or walk 3.1 miles of fun and show off your Warrior spirit! All participants will receive a commemorative t-shirt and a customized participation medal. You don't have to be a member of the FCS community to participate. Everyone is welcome to help support our school! Link to register: <https://www.active.com/fremont-ca/running/distance-running-races/warrior-family-5k-2021>

Fremont Christian School participates in the annual *Samaritan's Purse Operation Christmas Child*. The purpose of this outreach is to share the love of Christ and the Gospel with children in need all over the world. Please join us in reaching our FCS Preschool goal of collecting 125 boxes.

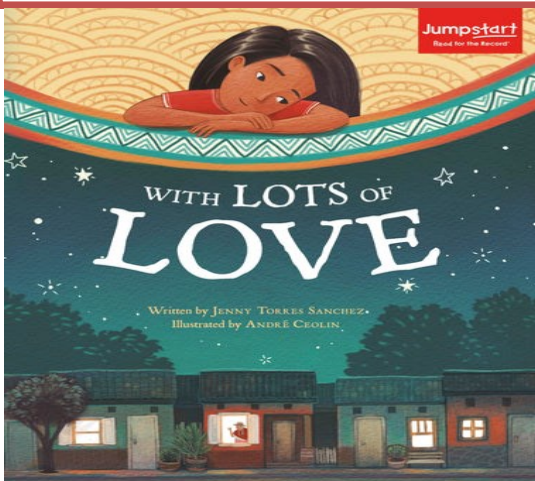

Each family will receive 1 box from their classroom teacher, however, there is no limit to the number of boxes a child can bring. Any shoebox with a lid may be used!

Bring your filled shoe boxes to your classroom between **October 4 and November 14**. This is a wonderful opportunity to use this experience for our children to learn about the joy of giving during the Christmas Season.

Teachers will be showing the children a video of how the boxes travel around the world, and witness children around the world opening their boxes. Children from FCS have seen their boxes being opened on these videos in previous years.

Read for the Record 2023

All children in attendance on October 25th will be included in the world record breaking national event *Read for the Record* with over 2 million children nation wide and highly publicized on shows like *Good Morning America*. This event is intended to promote the importance of early childhood literacy. *With Lots of Love* is a story about a girl who has moved to the United States from her home in Central America and how she stays connected to her family and culture far away.

Keep in mind that our

teachers need to

be continuously

supervising the

children. Your thoughts and concerns are important to us, so please use the following means of communication: email your teacher or see Mr. Nathaniel who has an open door policy for parents in the morning from 9:00-10:00 AM.
